A passionate love story under the burning Sahara sun.

Making love, we say, when it's love that makes us. Putting an end to a disastrous marriage, Claire flies to the Sahara. Aït, descendant of the blue men of the desert, will guide her where she'd never thought to go. Far away from the noise of the world, they have seven days to reveal who they really are to each other. Because each of them have a secret to hide. Their past could separate them, or unite them forever.
