This is the story of a monster with no first name who eats children's first names to survive!

Everyone in school is scared and trembling: a monster is on the prowl! A monster that swallows kids' first names whole! But one day, the beast comes upon the Jonathan, who is small but brave...

A quick-witted story that humorously combines fantasy and everyday life. Becoming a unique individual to live well with others: that is the mission the hero must accomplish in this joyous contemporary fable.
