Secretly Yours

Author: Charles-Cédric Tsimi

Publisher : JC Lattès

Category : Literature and Fiction

Genres : Novels/Fiction

Keywords : Ecology

A clever, lively, unsettling novel, beyond taboos, about a young man's journey from Cameroon to France and life as an undocumented refugee.

As part of his application for a residence permit, a young illegal immigrant is summoned to take a French language proficiency test. Stung, he responds to the administration by sending the book that you are holding in your hands: a novel whose style is both eloquent and blunt, the story of his arrival in France. *Secretly Yours* never mentions colonization or skin colour but you will enjoy the scathing humour of a young man who dreams of leaving Cameroon to study political science in France.
