A pacifist anti-hero abstains from violence. Amazing watercolors depict New York in a mind-blowing way.

If there's one thing polar bears love in life, it's fighting. But Milo is different. He likes to count shooting stars and take care of his young charges, the little whitecoats. But now, because of a terrible misunderstanding, he is chosen to fight in a ring. Peaceful Milo has to leave the Arctic behind and head to New York for the boxing match of the century.
