Having explored the far reaches of our solar system, the Voyager 2 probe now ventures even farther beyond, bearing a message of peace and friendship.

A stunning book for young readers to discover space exploration. For more than 40 years, the Voyager 2 space probe has been exploring the far reaches of our solar system and beyond, carrying a message about our civilization, carrying -- among other things -- music by Bach and Chuck Berry. This picture book tells the story of its exciting and poetic journey in the first person.
