The fabulous story of a lost civilization: the kingdom of Bahrain and its pearl fishermen.

Between truth and legend and verging on dream, *The Kingdom of Two Seas* is a fabulous voyage of discovery that takes us to the edges of one of the world's oldest civilizations: Dilmun. The "land where the sun rises" and the place where, according to Sumerian legend, the sole survivor of the Great Flood lived, Dilmun is the Garden of Eden.

Gilbert Sinoué is a born storyteller. A master at blending the fictional and the spiritual, he knows how to perfectly spin a tale of torment and obsession with a handful of unforgettable characters.
