But today he's not driving his van – he's taking off in a rocket ship! Whether he's in candyland or robot country; meeting mermaids, monsters, and unicorns, travelling twenty thousand leagues under the sea; soaring high above the clouds; dodging elves or whizzing past giants, nothing can stop Mr. Postmouse when he's got parcels to deliver!

With a passion for storytelling and a vividly imaginative flair for combining myths and legends, Marianne Dubuc delivers the third fun-filled volume of Mr. Postmouse's adventures!
