A new non-fiction animated series, with over 40 flaps to lift, which combines extensive information with artwork by contemporary artists.

Let’s visit the capital of France: the Eiffel Tower, the Louvre, the quays along the River Seine, the Champs-Élysées, the Opera, Montmartre, not to mention all the parks, the markets, and the metro. Who built the Eiffel Tower? What is a bateau-mouche? Answers are hiding under the flaps! And to wrap up the tour, how about outdoor movies in La Villette or a football game at the Stade de France?
