

Joseph Lives in the City

Author: Joanna Rzezak (Text/illustrations)

Publisher : Actes Sud Jeunesse

Category : Children's Books

Genres : Activity/Game Books

Keywords : Architecture - Armed conflict - Archeology

An engaging activity book that lets readers find their own way around a map, helping them understand the challenges of city planning.

Come join Joseph for a day in his life from home to school and school to the park in the city where he lives. Discover its architectural riches and why the city is laid out the way it is. This smart, engaging activity book will help readers find their way around town and develop a better understanding of the challenges that city planners face. Let your imagination wander!
