Monsters in the City

Authors: Valentin Mathé (Text) - Eva Bourdier (Illustrations)

Publisher : La Poule qui pond

Category : Children's Books

Genres : Picture Books

Keywords : Zodiac - Didactics - Anthropomorphic animals

A creative book with stories of monsters imagined by children. Discover what a 3-year-old child has in mind when looking at the city!

There sure are some funny monsters in the city! Lettoreater, Marchon, Devourer, Crowdscarer, Timidy, Firestarter, Mooncatcher, etc.

An exhaustive bestiary of all the funny city monsters imagined by children. Artist Eva Bourdier brings buses, letter boxes, and street lights to life. The story and illustrations in this picture book recall the drawings and the highly imaginative comments from children at Paul Bert preschool in Clermont-Ferrand (France).
