How Does Racism Happen?

Understanding the mechanics of hatred to better protect yourself

Authors: Ismaël Méziane (Illustrations) - Carole Reynaud-Paligot (Script writer) - Évelyne Heyer (Script writer)

Publisher : Casterman

Category : Comic Books and Graphic Novels

Genres : Non-Fiction

Keywords : Xenophobia - Minority rights

Understand the mechanisms behind racism -- in a graphic novel!

Ismaël Méziane, an artist who has personally experienced racism, offers up a narrative that combines personal reflections and conversations with two experts, an anthropologist-geneticist and a historian, in order to identify and understand the mechanisms that give rise to racism. A worthy project in an era that has witnessed the herd mentality of conservatives and the resurrection of outdated ideologies.
