

The Trial

Author: Stéphane Henrich

Publisher : Kaléidoscope

Category : Children's Books

Genres : Picture Books

Keywords : Project - 30's - Healer

A humorous introduction to court trials, along with classic fairy tale characters.

A common but tragic case is being tried at Animal Court: a wolf is accused of having eaten a sheep. Is he guilty? Yes. Can he plead mitigating circumstances? Maybe. But what does "mitigating circumstances" mean? And who does what in a courtroom? Have no fear, Stéphane Henrich explains it all in this educational – and oh so funny – story.
