A police thriller about the disappearance of a 16-year-old girl, victim of a toxic mother.

Why did 16-year-old Manon, who has a reputation for exemplary behavior, run away from her house one June evening? Why did her mother wait so long before reporting her missing? Why hasn't her best friend Salome heard from her? And why doesn't Valentin want to reveal how far he has agreed to go in the name of love for Manon? If everyone shared what they knew, perhaps we would finally unravel the mystery of this strange disappearance and a young girl who dreamed of nothing but being completely free to be herself.
