The laugh-out-loud series where Dad and his daughters are the stars!

Dad is the father of 4 young girls ranging from 10 months to 20 years, each from different mothers. Let's just say everyday life isn't easy. He's also an actor, but his family commitments make his life quite unconventional. He never misses an opportunity to take to the stage, much to his daughters' embarrassment... *Dad* is a series about family. You can't help wondering how much of it is inspired by the author's own experiences as a father...
