Slimane was found as a baby in a village during the French-Algerian war. Years later, he decides to go back.

Slimane was found as a baby in a village during the French-Algerian war. Years later, when he's a teenager, he decides to go back to the place where he was found, and he meets lots of different people along the way. He learns a lot from his encounters, most of all that we are all trying, in one way or another, to find out who we are.
