My mom has a superpower. She can turn into any animal she wants, whenever she wants!

My mommy is incredible! She has a superpower: she can turn into any animal she wants! Groceries too heavy? She turns into a buffalo to carry them. She can do lots of things at once, like the eight-armed octopus. If something breaks, she becomes a beaver and fixes it. She also sings like a nightingale! But steer clear when she wakes up first thing in the morning—she can be grumpy as a pig! A hilarious bestiary, featuring relatable everyday situations from the lives of kids—and mothers! A picture book for beginners with a surprising and original portrayal of mothers, brought to life through striking acrylic illustrations by a talented new artist.
