Daddy will do just about anything to make his child happy...

This dad will be anything his son wants him to be: he'll go from being a swing, to a football, or even a surfboard - all for the sheer joy of his son. He selflessly comes running as soon as his son calls him, his daily tasks constantly interrupted. But at the end of the day, when the little boy asks him for his bedtime story, Daddy doesn't answer... Do you know why? Because he's fallen asleep on the sofa - exhausted! Lucky his little boy is there to make him comfortable...
