No One Is Born Submissive, They Become That Way

Author: Manon Garcia

Publisher : Flammarion

Category : Humanities and Non-Fiction

Genres : Philosophy

Keywords : Feminism - Submissiveness - Sociology - Desire for children

On the submissiveness and oppression of women.

Taboo in philosophy and often overlooked in feminism, women's submissiveness has never been analyzed in detail, in the full complexity of its lived experience.

Following in the footsteps of Simone de Beauvoir, Manon Garcia powerfully tackles the question: because understanding why women submit of their own free will is a necessary precursor to any form of liberation.
