An interactive choose-your-own-adventure book. Help the two princesses find a happier ending than merely meeting Prince Charming!

A humorous picture book about two little princesses ready for adventure. When Princesses Rose and Josephine decide to venture forth from their castle, Rose wants to go one way and Josephine another. Which way will you choose?

Readers can decide whether to splash through a rushing river or nap in a meadow; enter a dark cave or stay the course; open a cobwebbed castle door or follow a sweet aroma. There are many paths to take, but only two will lead the princesses to a happy ending. And that is definitely NOT meeting Prince Charming!
