---

A fierce and cheerful broadside against contemporary patriarchal machismo, with echoes of the #MeToo movement.

Constance, a modern, young illustrator, takes revenge for the thousands of attacks suffered daily by women with a comic of her own, titled *The Amazing Camel Toe*, celebrating the adventures of an anti-macho vigilante in tight, panther leggings: A hero who battles against sexism, harassment, slut-shaming, and unrealistic standards of beauty. A form of release that could materialize in a publishing deal for Constance... But in order for that to happen, the author, often full of doubt, must dare to assert herself more. Luckily, she's supported by her gang of girlfriends, her boyfriend, her favorite band, and not to mention Camel Toe herself: who says this comic-book bombshell can't exist in real life? Gently provocative, cheerfully fierce, and borderline punk, Claire Duplan has a style and a tone all her own, overflowing with humor and energy.
