A funny, affectionate picture book for siblings of all sorts!

Now, me, I'm a big brother. And I've got a kid sister. My favorite thing when it's nice out is sitting in the cool grass in the shade of a tree and reading a book. That is, when my sister's not around...

When all you want is some peace and quiet, it's not easy being big brother to a little sister as mischievous as she is energetic –that is, when she's not outright terrifying.
