Lift Your Head Up and Look Around: It's a New World

Author: Maïa Mazaurette

Publisher : Anne Carrière

Category : Humanities and Non-Fiction

Genres : Essay

Keywords : Feminism - Sexuality

How to escape our narrowminded notions of what sex can be and devise a new erotic repertoire.

Modern sexuality is seized with great uncertainty, shaken by the questions the MeToo movement has raised, but also beset by unrealistic demands placed upon us all, and an international decline in libido. Sadly, sexuality is now conceived of as a matter of orifices, reducing women to voids to be filled. Part One of this book traces how history, culture, and psychoanalysis have drastically narrowed our sexual practices. Part Two lays out a practical and optimistic approach to forging a new sexuality based on ethics, imagination, and compassion.
