It's not easy being the new kid in school, especially when you have a multiple personality disorder...

Elle is like every other girl, but not exactly. When she is blonde, she is earnest and even vain. But when her hair is green, she is athletic and violent. When it's pink, she is funny and sensitive. When she's a brunette, she is shy, reserved, and lacks self-confidence. And when she has purple hair, she is caring and determined. She has a personality disorder. It's not easy making friends when you are the new kid at school, but it's even harder when you are Elle.
