A sci-fi story that features the fight against organized crime in a futuristic society. Realistic and meticulous artwork perfectly captures the settings, plotline, and characters.

22-year-old Katryn Horst joins the Optic Squad, the intervention unit that specializes in infiltrating criminal networks. Created in 2096 under the aegis of the UN, the Optic Squad fights organized crime on the North American territory. Accompanied by Agent Valdo Reyes, her first mission is to infiltrate and dismantle a ruthless human trafficking network that has insidiously wormed its way into the highest echelons of an ultra-corrupt society. Via nano-cameras installed in their eyes, they will be followed in real time by a team from headquarters. But this mission could very well be her last...
