You, the (future) Geek Dad

Author: Nicolas Kalogeropoulos

Publisher : Leduc

Category : Practical Books

Genres : Couples/Family - Well-Being/Self-Help

Keywords : Geek - Father - Space conquest

From 9 months of downloading, to becoming a Super-Dad, here is everything you need to know about how to be the perfect geek daddy!

When you were young, you would spend hours doing "stuff" on your computer. Today you have stepped away the dark side of the Force because youn have gone from a computer specialist to GEEK! Imagine this book as your ideal Geek Dad walkthrough. You will learn how to properly manage the integration of the baby module into your family computer, how to successfully update your operating system from young man to Daddy 2.0, and finally, to understand the fundamental updates that operate within the Mother... board... during and after pregnancy.
