Rose's Silence

Author: Isabelle Laurent

Publisher : Artège

Category : Children's Books

Genres : Young Adult

Keywords : Autism

With simple, fluid penstrokes, Isabelle Laurent deftly sheds light on the inner conflicts of adolescent souls.

A seemingly ordinary high school, where teenagers communicate via smartphones without ever meeting each other... But beyond appearances, many secrets and inner conflicts stir the souls of these young people. Autism is the starting point of this powerful novel that deals with adolescence, that teaches us how to truly exist and be true to ourselves, in spite of the wounds life inflicts upon us. A simple, delicate writing style draws us into a profound story full of twists and turns that will forever change the way we look at autism, and the struggles that affect our youth.
