A comical and romantic road trip.

Baptiste, a jazz musician of some renown, is burnt out. Unable to play a single note, he sets out as a pilgrim on the Way of St. James at his daughters' insistence, giving in to what they hope will be an effective cure. Early on in his journey, he meets Ludivine, a bohemian pixie. A road trip full of humor and detours follows, leading them down roads less traveled from one refuge to another, as they sleep under the stars. A beautiful, funny, and tragic tale.
