Enter forgotten worlds where time stands still! In every country, deserted, abandoned places still echo with life that suddenly appears on every page.

A deserted amusement park, a palace overrun by plants, a military base evacuated ... These unknown or hidden places are testimonies of an unusual story, sometimes a dramatic one. When discovering these places, our imagination runs wild and the soul of the place wakes up.

Enter these forgotten worlds in which time stopped. The remarkable legacy of these beautiful sites is revealed in their entirety, thanks to exceptional photographs, maps, and ancient documents.

Around 80 different places can be discovered in this book. All full of mysteries and beauty. Each tells a story from the past, their story. Some of them can be visited, and some others stay hidden, or forbidden.
