Author and illustrator Marion Jamault treats readers to a delectably far-fetched story with colorful drawings.

In a small coastal town, new crackers are all the rage: "Crabckers"! Everybody's fighting over them, gobbling them up, even worshipping them. Everybody, that is, except the Crab Boss himself! Clinging tight to his rock, he stares at the vacationers bingeing on crabckers.

And his anger grows and grows... An absurdly hilarious picture book.
