Learn to cook with a comic! It's easy!

This graphic cookbook will teach you twenty recipes good for any time of year: meals on the go (croque-monsieur and croque-madame, soufflés, eggs shirred or deviled, Caesar salad), major classics (quiche, savory crepes, soup, fajitas, vegetarian lasagna, pizza), and recipes worthy of a great chef to astonish your entire family (sushi, surprise papillotes, dumpling gratin)!

Five recipes for every season, from canonical to unconventional, easy to complicated, all laid out step-by-step by Zoé and her little brother Hippolyte, two apprentice chefs as enthusiastic about cooking as they are good at explaining things.
