

Mr. Wolf is Very Hungry

Authors: Sandrine-Marie Simon (Text) - Sébastien Chebret (Illustrations)

Publisher : Rue de l'échiquier

Category : Children's Books

Genres : Picture Books

Keywords : Food - Difference - Meat - Vegetarianism - Vegetarianism

This picture book humorously revisits a popular folktale questioning our habits and customs, both food-related and beyond.

Mr. Wolf is very hungry. He could eat at least three little pigs... Does this story ring a bell? Well, think again! In this version, against all odds, the little pigs will open their door to the hungry wolf. First they make him feel at home, tie a big napkin around his neck, and then treat him to a feast... of freshly cooked vegetables! The incredulous wolf can't help but notice that not only is he full, but he also loved how his meal tasted!
