

Once We've Devoured the World

Authors: Alain Serres (Text) - Silvia Bonanni (Illustrations)

Publisher : Rue du Monde

Category : Children's Books

Genres : Picture Books

Keywords : Environment

A little refrain about saving the planet.

Freely inspired by a Native American proverb, this short book with its repetitive refrain spells out the risks humans run when they waste natural resources. It denounces overconsumption and the rat race. Above all, it tells us our only hope for saving the world resides in ourselves. This book is also full of ideas for creating collages from magazine cut-outs and photos.
