

The World in a Grain of Sand

Authors: Galia Tapiero (Text) - Marion Brand (Illustrations)

Publisher : Kilowatt

Category : Children's Books

Genres : Babies/Toddlers/Board Books - Early Chapter Books - Picture Books

Keywords : Sand - Metamorphosis - Erosion - Imagination - Space

Every grain of sand has an incredible tale to tell. A poetic and educational picture book to awaken the imaginations of early readers.

Follow the journey of a grain of sand from a mighty boulder tumbling down a tall mountain to slow erosion in the ocean to a sandcastle on the beach. The words are few and carefully chosen as the vivid palette of blue, orange, and violet hues bringing the illustrations to life. Linger on every word describing every step of this incredible metamorphosis and let it inspired you. Entire worlds can hide in the smallest, most trivial details in the world around us—like a grain of sand.
