A unique novelty book. Join a young boy named Thomas on his adventures inside a book... inside a book... inside a book.

While on vacation, Thomas wanders away from his family and finds a book abandoned on the beach. When he opens it... so does the reader. Inside the little book Thomas can be found walking through the quiet, snowy woods, where he finds another, smaller book with an even stranger adventure inside. What adventures does this third book contain?

Boldly illustrated, cleverly constructed, with two smaller books bound into the larger one, this book combines extraordinary creativity and educational value in its different settings and stories.

"A memorable picture book." ~ *Booklist, Starred Review.*
