With warmth and wit, these lively family adventures cover everyday situations children are likely to face.

The Chicken Gang consists of mother Carmela, a pretty, adventurous, and nonconformist little white hen; father Cocker, a red rooster from America; and their two children, little Carmen and her big brother Carmelito. They are accompanied by a whole gallery of strong-willed characters, temperamentally inclined to reject humdrum daily routine. Lucky for them, because extraordinary things are always happening in the henhouse!
