A funny and quirky picture book, to rediscover the charm of the City of Light through the eyes of our four-legged friends.

"Of course, there is the Paris we all know; the one with the Eiffel Tower, cafés and big boulevards. But there is also another Paris, the animals' city.

With their shops, bistros, offices and playgrounds.

Another world that I was lucky enough to discover with my friend the rhinoceros.

I'd like to show you this unknown Paris."

The Excelsior, a luxury residence for mice, Sibelius, a web shop for spiders, or La Boîte, a nightclub for sardines...

The duo Julien Baer and Sébastien Mourrain revisit trendy or iconic Parisian addresses in animal style!
