Animals That Make Us Feel Good

Author: Émilie Devienne (Text)

Publisher : Eyrolles

Category : Practical Books

Genres: Well-Being/Self-Help

Keywords : Society - Interdependency - Androids -Wandering - Daily life

The animal kingdom is essential to our physical and mental well-being.

This book highlights the interdependency between humans and animals, to whom we owe so much. It begins by describing how animals contribute to the health, wellbeing, and survival of the human species. It then suggests ways to get to know animals better and to love them more.
