Through his escapades, a cat gives us a peek into the private lives of his owner's neighbors.

Lisa's cat has a busy week lined up! On Monday, he's going over to see Sebastian, the writer with thick glasses. They make quite the pair of intellectuals! On Tuesday, he checks in on Mina, the neighbor on the ground floor who grows all kinds of flowers on her balcony. What lovely aromas! On Wednesday, he visits Mamie Yvonne, the queen of chefs. Always a delectable experience! And so on until Saturday, the day he goes out on the town with his girlfriend Capucine. And Sunday? He spends the day with Lisa, because he's Lisa's cat, remember?
