When you see others in danger, don't keep quiet, speak up and help out!

When Wolf shows up in the woods, Squirrel doesn't bother alerting anyone. After all, he's in no danger! But once Wolf is done eating all the other animals, there's no one left to help Squirrel to confront the still-ravenous wolf.

A smart, effective primer on how to fight harassment, learning to be courageous, and developing a sense of communal responsibility.
