Going green is well and good, but having green parents can make you feel like a slave!

Armand, Lili, Violette, Oscar, and Charlie have had enough! Enough of watering, weeding, and hoeing. Everyone dreams of having a rooftop garden. But when you're just obeying orders dawn to dusk, it can be a real nightmare.

"We weren't born to take orders!" Lili declares.

"All parents do is make us garden all the time," little Charlie adds.

After *Hugo aime Jo(séphine)* [Hugo Loves Jo(sephine)] from Didier Jeunesse, a new series for 9-12 year-olds from Sophie Dieuaide, a widely-known author who has worked with many children's publishers.
