A masterful graphic novel: part thriller, part family drama, and part social chronicle.

Born and raised in a Rio favela, nurse and single mother Márcia struggles to keep her rebellious daughter in line. But when young Jaqueline finds herself neck-deep in organized crime, Márcia will stop at nothing to get daughter out of danger. Internationally acclaimed Marcello Quintanilha, one of Brazil's most famous comics creators, delivers an emotional, surprising, and unmistakably Brazilian thriller, Fauve d'or at 2022 Angoulême Festival and shortlisted for the Grand Prix de la Critique in 2022.
