"The latest craft: Reverse Coloring! Beautiful watercolors are already there; you have total freedom to draw the lines. Art therapy's benefits are well-proven!"

Reverse Coloring: simple and deeply satisfying!

Each page of this book features an array of colors to be discovered. You draw the lines however you want! The watercolours provide you with a visual guide to limitless possibilities. Each page is an invitation to slow down, let go, and let your pen find its way through the picture. Trace shapes, draw patterns, doodle, shade, cover an area with dots. Nothing is off-limits!

In this volume, "Nature," discover a flowery, lush... magical atmosphere! It is up to you to imagine what is next. An artistic activity that brings the meditative benefits of coloring and stimulates your creativity.
