"This poetic picture book tells a beautiful tale about solidarity and friendship, to help readers look on the bright side and savor the moment."

A bear living an uneventful life encounters other forest animals who are experiencing a heap of trouble... Fortunately, he is there to help them out! The bear thinks his life is boring, that nothing ever happens to him. But soon enough, all kinds of stories are being told about an extraordinary bear. And when he thinks about it, he realized: his life is a beautiful story, too!
