This series is a must-have for children who want to find out everything they can about sports!

Each title in this series, developed with the cooperation of sports journalists, focuses on a different sport. Its origins, rules, main competitions worldwide, star players, as well as plenty of fun facts and records can all be found here, for children to learn! There are even quizzes to test their knowledge while having fun. These books are ideal for helping children better understand various sports and will even encourage them to go outside and practice. Other titles in the series include rugby, ballet, track and field, and soccer.
