Messi's biography, from the magazine that awarded him 6 Ballons d'Or (Golden Balls).

In August 2021, after 21 years at FC Barcelona, Leo Messi joined the Paris-Saint-Germain soccer club. Florent Torchut, *France Football's* Barcelona correspondent, covered the event. Throughout the messianic Messi's career, France's Bible of soccer has always had close ties to the greatest player of his era, who even authorized the use of family photos for this book, a richly illustrated album that traces La Pulga's first steps in Rosario through his greatest successes with Barça, up to an insider's view of his arrival in Paris and his first victory with Argentina in the 2021 Copa América.
