The Crown: From Fact to Fiction

History and a Hit TV Series

Authors: Corentin Lamy - Joffrey Ricome - Pierre Trouvé

Publisher : Gründ

Category : Art

Genres : Reference Books - Illustrated Books

Keywords : Crown - Netflix - Britain - Royalty - Elderly

The Queen's life draws millions of viewers to each episode of *The Crown*. But between history and TV, how can we tell fact from fiction?

Among the most-watched TV series ever, *The Crown* tells the story of Elizabeth Windsor from her coronation throughout her 20th-century reign.

Highly researched and painstakingly produced, this series makes no concessions. Though a few moments suffer from lack of accuracy, realism is still pushed to extreme. Using archives and press cuttings, this book compares the TV series to the historical record.
