Category : Children's Books

Genres : Picture Books

Keywords : Circus - Stage fright - Bedtime - Taste - Humor

What will become of the circus?

The Fiesta circus performers are not as fit as they once were: the Human Cannonball has gained weight, the Chameleon Lady is stuck as green with yellow polka dots, the all-seeing medium can't see into her crystal ball, the knife thrower has lost his knives, and the Bearded Woman has gotten very shy. What will happen to the circus if they can't come up with a new act?
