Cinema's Legendary Shots

100 Famous Shots and What They Mean

Author: François Theurel

Publisher : Tana

Category : Art

Genres : Reference Books - Performing Arts

Keywords : Cinema - Horror - Literature

Discover (or rediscover) the 100 most renowned shots in film history and the secrets of cinema and famous films from *Hellboy* to *Psycho*.

What were the director's intentions? Was this shot a success or a complete failure? What was hiding behind this set? What was the wanted effect? What is a technological feat? What are the director's influences? You will learn how the scene was shot and why it has become such a reference over the years. You'll also learn how to interpret the different meanings of these shots. Each sequence includes several screenshots from the film and is then carefully analysed by author and film specialist François Theurel.
