This activity book features twenty magic tricks of varying levels of difficulty, with photos and step-by-step illustrations. These tricks can be performed with materials that are easy to find around the home: a cup, a scarf, a ray of light, dice, paper, a sponge. The book also includes plenty of tips and secrets to teach you all the basics of magic, from holding your hands the right way to avoiding common mistakes, misdirection, preparation, rehearsal, staging, gags, etc.

Includes a few bonus tidbits that go with the tricks.
