Seven girlfriends searching for soulmates recount, with humor and goodwill, their many conquests and adventures online!

Seven girlfriends start a group chat one night on Whatsapp to share their war stories about dating sites, from spicy language to surprising dares, winking allusions to dumb bets. For four years, reasonable Laëtitia, smartass Virginie, honest Emmanuelle, reserved Audrey, outspoken Sophie, altruistic Jeanne, and pragmatic Elsa have met up and traded stories about their hopes, successes, and disillusion. With humor and goodwill, they recount their true, sidesplitting, or surreal stories. Sometimes the laughter turns sour, but the fun they take in their extraordinary tales helps them get over their failures and keep looking for true love.
